THE COURT ORDERS THAT:

1. Each Respondent must, within 15 business days of service of these Orders (and thereafter within 15 business days of an obligation to disable access to a Domain Name, IP Address or URL arising under Order 12), take reasonable steps to disable access to the Target Online Locations.
2. Order 1 is taken to have been complied with by a Respondent if that Respondent implements any one or more of the following steps:
 - (a) DNS Blocking in respect of the Target Domain Names;
 - (b) IP Address blocking or re-routing in respect of the Target IP Addresses;
 - (c) URL blocking in respect of the Target URLs and the Target Domain Names;or

- (d) any alternative technical means for disabling access to the Target Online Locations as agreed in writing between the Applicants and a Respondent.
3. If a Respondent in complying with Order 1 does not implement one of the steps referred to in Order 2, that Respondent must, within 15 business days of service of these Orders, notify the Applicants of the step or steps it has implemented.
 4. Each Respondent must use reasonable efforts to redirect any communication by a user of its service seeking access to the Target Online Locations which have been disabled pursuant to Order 1 to a webpage established, maintained and hosted by either:
 - (a) the Applicants, or their nominee, pursuant to Order 5; or
 - (b) that Respondent or its nominee.

The Applicants' obligations pursuant to Orders 5 and 6 only arise if a Respondent notifies the Applicants that the Respondent will redirect a communication pursuant to Order 4(a) and for so long as at least one Respondent redirects communications to that webpage.

5. The Applicants, or their nominee, must establish, maintain and host a webpage which informs users of a Respondent's service who have been redirected to the webpage pursuant to Order 4 that access to the website has been disabled because this Court has determined that it infringes or facilitates the infringement of copyright.
6. Within 5 business days of these Orders, the Applicants will notify each of the Respondents in writing of the URL of the webpage established, maintained and hosted under Order 4 and, if the webpage ceases to operate for any reason, will notify each of the Respondents in writing of a different URL that complies with Order 5.
7. If, in complying with Order 4, a Respondent redirects any communication by a user of its service to a webpage established, maintained and hosted by it, that Respondent or its nominee must use reasonable efforts to ensure that the webpage informs the user of that Respondent's service that access to that website has been disabled because this Court has determined that it infringes or facilitates the infringement of copyright.
8. In the event that any of the Applicants has a good faith belief that:
 - (a) any Target URL, Target IP Address or Target Domain Name which is subject to these Orders has permanently ceased to enable or facilitate access to any Target Online Location; or

(b) any Target URL, Target IP Address or Target Domain Name has permanently ceased to have the primary purpose of infringing or facilitating the infringement of copyright,

a representative of the Applicants must, within 15 business days of any of the Applicants forming such a good faith belief, notify each Respondent of that fact in writing, in which case the Respondents shall no longer be required to take steps pursuant to Order 1 to disable access to the relevant Target URL, Target IP Address or Target Domain Name that is the subject of the notice.

9. A Respondent will not be in breach of Order 1 if it temporarily declines or temporarily ceases to take the steps ordered in Order 1 (either in whole or in part) upon forming the view, on reasonable grounds, that suspension is necessary to:

- (a) maintain the integrity of its network or systems or functioning of its blocking system;
- (b) upgrade, troubleshoot or maintain its blocking system;
- (c) avert or respond to an imminent security threat to its networks or systems; or
- (d) ensure the reliable operation of its ability to block access to online locations associated with criminal content if it reasonably considers that such operation is likely to be impaired, or otherwise to comply with its statutory obligations including under section 313(3) of the *Telecommunications Act 1997* (Cth),

provided that:

- (e) unless precluded by law, it notifies the Applicants or their legal representative(s) of such suspension, including the reasons and the expected duration of such suspension, by 5.00 pm on the next business day; and
- (f) such suspension lasts no longer than is reasonably necessary and, in any case, no longer than 3 business days or such period as the Applicants may agree in writing or the Court may allow.

11. The parties have liberty to apply on 3 days' written notice, including, without limitation, for the purpose of any application:
- (a) for further orders to give effect to the terms of these Orders;
 - (b) for further orders in the event of any material change of circumstances including, without limitation, in respect of the consequences for the parties and effectiveness of the technical methods under Order 2; and/or
 - (c) for orders relating to other means of accessing the Target Online Locations not already covered by these Orders.
12. If a website the subject of any of the Target Online Locations is at any time during the operation of these Orders provided from a different Domain Name, IP Address or URL outside Australia, the Applicants may, by their solicitor:
- (a) provide a notice in writing to the Respondents and the Court that:
 - (i) identifies the different Domain Name, IP Address or URL; and
 - (ii) certifies that, in the good faith belief of the Applicants and their solicitor, the website operated from the different Domain Name, IP Address or URL is a new location for any of the Target Online Locations the subject of these Orders and brief reasons therefore;
 - (b) within 7 business days of the notice given pursuant to Order 12(a), the Respondents must notify the Applicants and the Court in writing if they object to taking steps pursuant to Order 1 to disable access to the Domain Name, IP Address or URL notified in accordance with Order 12(a);
 - (c) if any Respondent objects to disabling a Domain Name, IP Address or URL notified in accordance with Order 12(a), or the Court otherwise considers it appropriate to do so, the proceeding will be relisted for further directions; and

- (d) If, within the time period specified in Order 12(b) no Respondent objects to disabling access to any Domain Name, IP Address or URL notified in accordance with Order 12(a) and the Court does not otherwise require the proceeding to be relisted, then upon receipt of a notification from the Applicants that the Court does not require the matter to be relisted, that Respondents must take steps pursuant to Order 1 to disable access to the Domain Name, IP Address or URL notified in accordance with Order 12(a).
13. The Applicants have leave to file and serve an amended originating application seeking further orders (**New Target Online Location Orders**) in respect of any additional target online location (**New Target Online Location**) that appears to the Applicants' solicitors to be associated with any of the Target Online Locations (based on its name, branding or the identity of its operator) and making available online the same or substantially the same content that the Target Online Location is or was previously making available online.
14. Subject to any further order or direction, the leave granted under Order 13 continues to apply for the duration of these Orders.
15. Subject to any further order or direction, if the Applicants file any amended originating application pursuant to Order 13, then the following shall apply:
