Re: Notification of Claimed Copyright Infringement Pursuant to 17 U.S.C. § 512

Dear Mr. Paine,

My firm represents The Football Association Premier League Limited (“Premier League”), which owns copyrights in broadcasted Premier League football (soccer) matches, including the right to publicly perform those copyrighted works. Premier League has determined that users of Cloudflare’s system or network are infringing Premier League’s copyrighted works through the following websites and domain names:

Cloudflare is asked to remove or disable access to Premier League's copyrighted works, which, based on the infringement that has occurred to date through the websites and domain names identified above, will continue to be infringed in this same manner throughout the Premier League season. In addition, enclosed is a subpoena pursuant to 17 U.S.C. § 512(h) that instructs Cloudflare to provide Premier League with information sufficient to identify the alleged infringers that are associated with these websites and domain names, including those contained in the backend links.

We are providing this notice based on our good faith belief that the use of Premier League's matches in the manner occurring through the websites and domain names identified above is not authorized by Premier League, its agents, or the law. The information in this notification is accurate and, under penalty of perjury, we are authorized to act on behalf of Premier League, which owns exclusive rights under copyright that are being infringed in the manner described herein. This letter is without prejudice to the rights and remedies of Premier League, including to recover damages and any other claims for relief, all of which are expressly reserved.

Sincerely,

HAGAN NOLL & BOYLE, LLC

Champions League, English Premier League, German Bundesliga, French Ligue 1, Spanish Primera Division and Italian Serie A, or major events in other sport types, such as ice hockey with the NHL or basketball with the NBA. In our website, the P2P technology plays a key role, allowing you to watch medium to high quality streams completely free. Furthermore, a nearly unlimited number of visitors can have access to these streams at the same time. In addition, you can discuss what you watch with fans from all over the world and put your comments in every broadcast page - for that, you just need to create a free account on our site.

In our video archive, you can watch daily updated videos of goals and highlights from recent games of the leading European leagues, or from other types of sports such as ice hockey or basketball, to give you two examples. Moreover, you will be able to watch live scores of all games updated every minute. Football tables are also available and always up to date.

If you search for precise channels, please visit the Internet TV and Radio website where you will find a complete list of streams for all channels. If you encounter difficulties with watching live streams, please first check our detailed How to Watch guide. You can also contact us any time or post your questions in the forum. And most importantly, all streams you can find in our website are completely free - Internet connection is all you need!
